Please see the baseline rankings report for the keywords we are targeting for your new campaign.

This report outlines the current ranking positions of your keywords in Google, with #1 being the highest and >100 being not in the Top 10 pages of Google.

I am now focusing my efforts on the off-site content / link building, the on-site SEO fixes and all the campaign inclusions. I'll be in touch along the way.

Let me know if you have any questions or concerns.
